

# CEPEDA Associates, Inc.

**Number:** Q-10

**Revision:** 3/28/2016

**Title:** **DIMENSIONAL DATA QUALITY REPORTING**

**Clause:** The supplier shall provide a quantitative inspection report listing the dimensional data, applicable tolerance, drawing zone, and actual measurements for each item delivered to CEPEDA Associates, Inc. Each report shall be identified to the purchase order and traceable to the part it represents. The inspection report shall be legible and clearly marked to identify conformance or nonconformance to applicable specifications.

CEPEDA provides a dimensional report template, F-8420-006A, on our supplier website. If the supplier opts to use CEPEDA's template, they shall insert their company information in the header of the document. Otherwise, the supplier may use their own format which meets the above requirements.

For more information refer to QCP300.2, Supplier Quality Assurance Requirements, available at <http://www.cepedaassociates.com/suppliers/>.
