

# CEPEDA Associates, Inc.

**Number:** Q-3

**Revision:** 5/1/2012

**Title:** SOURCE INSPECTION BY CEPEDA ASSOCIATES

**Clause:** Inspection by CEPEDA is required prior to shipment from the supplier's facility. Notify CEPEDA Quality Assurance ([quality@cepedaassociates.com](mailto:quality@cepedaassociates.com)) at least 10 business days before the anticipated inspection/test date so that appropriate planning for inspection/test may be accomplished.

The supplier shall insure that the latest applicable drawings, specifications, technical requirements, purchase order information, and necessary measurement and test equipment is available to expedite CEPEDA's evaluation of the material upon arrival.

Unless otherwise specified in the purchase order, source inspection at the supplier's facility does not guarantee final acceptance. Final acceptance shall be at CEPEDA's facility.

For more information refer to [QCP300.2, Supplier Quality Assurance Requirements](#).
