

CEPEDA Associates, Inc.

Number: Q-47

Revision: 8/27/2013

Title: FIRST ARTICLE TESTING

Clause: Supplier shall conduct First Article Inspection/Testing (type(s) as defined in purchase order) on the first run piece to verify that all processes and inspections are correct and do not result in nonconforming material. First Article hardware and documentation of inspections/tests shall be forwarded to CEPEDA Associates, Inc. for approval prior to release to manufacturing.

For more information refer to QCP300.2, Supplier Quality Assurance Requirements, available at <http://www.cepedaassociates.com/suppliers/>.
