

CEPEDA Associates, Inc.

Number: Q-59

Revision: 8/26/2021

Title: CURE DATE & SHELF LIFE REQUIRED

Clause: The following information shall be provided for all products provided in each shipment:

- Cure date as year and quarter (e.g. 3Q21)
- Expiration date based on the cure date and shelf life of MIL-HDBK-695 latest issue, material specification, or best commercial practice (as applicable) unless otherwise specified in CEPEDA's purchase order.
- Each package of synthetic rubber products, or supplied products for fittings, shall be marked with cure date, expiration date, part number, and quantity. Cure date on O-Rings shipped to CEPEDA Associates, Inc. shall have a minimum of eight (8) quarters of shelf life remaining unless otherwise specified in CEPEDA's purchase order.

For more information, refer to [QCP300.2, Supplier Quality Assurance Requirements](#).
